ASUCI JUDICIAL BOARD

"All Judicial authority of ASUCI shall be vested in the Judicial Board. The Judicial Board's authority shall extend to all judicial cases arising under [the ASUCI] Constitution; the various by-laws of ASUCI; all official actions of the Executive Officers, Legislative Council member, and ASUCI Commissioners; and any matters delegated to the Judicial Board by the Legislative Council."

Preliminary ruling on Dominique Doan versus ASUCI Election Commission

After careful consideration the Board has unanimously decided that the Elections Commission constitutionally decided this case. While the case may have merit, Ms. Sheriff's act of utilizing the communication avenue to then file a complaint shows reproachable malicious intent. Furthermore, incidental email communication does not warrant campaigning advantage on the behalf of Ms. Hu. Having written the decision for the Spring 2011 Klauschie vs EC, it was ruled to disqualify the candidate as Klaushie had a clear advantage compared to other candidates and used that resource for campaigning advantage. If Ms. Sheriff were really concerned about the misuse of ASUCI email address for communication she would've filed this complaint in a timely fashion so EC could censor the candidate. While the act may be egregious, it does not warrant disqualification.

Therefore the Board will not process this appeal and will not hold a hearing for this case.
